Subscription Campaign For News Begins Today

CANYON CHAPTER of the American Cancer Society this week presented libraries with pamphlets concerning cancer. Shown above are F. M. Blackburn, college librarian, Mrs. J. L. Gilmore, high school librarian, Mrs. Chester A. Pierle, county librarian, and Charles Wright, president of the local cancer chapter.

The first massive subscription campaign in the recent history of the 65-year-old Canyon News gets under way today.

Selling subscriptions to the Panhandle's oldest and Randall County's only newspaper will be members of the FFA, FHA, 4-H Club and Randall County Junior Livestock Association.

A percentage of proceeds from the subscription sales will go toward construction of a proposed \$20,000.00 Randall County Junior Livestock Association Building.

Canyon News Publisher Troy Martin said \$1.00 for each new subscription sold by the youngsters will go into the building fund as will 50 cents for each renewal subscription.

"We hope to serve a three-fold purpose in this campaign," the Canyon publisher said. "We hope to get a great many new subscriptions, do something for the building fund, and become

better acquainted with youth activities in the county."

Individual prizes will be awarded to the sales workers building up the greatest number of sales points. Each new subscription will give the seller 10 sales points while each renewal will count for five sales points.

The News is offering nine cash prizes during the campaign. First prize will be \$25.00 in cash. There will be two second prizes of \$15.00 each; and three third prizes of \$10.00 each; and three fourth prizes of \$5.00 each.

539 Visit Schools During Week

A total of 539 patrons visited Canyon public schools during Texas Public School Week, held March 6-10.

Schools and the number of visitors during the annual observance are Canyon high, 111; junior high, 208; and elementary, 220.

Regular classroom activities were carried on during the week so parents and patrons could see the children at work.

★ Nets 36

With the membership drive still in progress, the Canyon Chamber of Commerce has gained 36 new members, according to Roland Black, chamber manager.

Breakfast Prompts Walk for Youngster

Come what may, Gary Don Bendnorz likes his breakfast early.

And his mother, Mrs. Ruth Bendnorz was greatly surprised when told that her five-year-old son had been to Neblett Hospital at three o'clock in the morning.

Mrs. Bendnorz had been admitted to the hospital Wednesday and Gary Don, age five, was staying with friends, Mr. and Mrs. Merle Pitt of 2614 Tenth Ave.

According to the nurses, Gary Don came in about 3 a.m. and said he wanted his mother to fix breakfast for him. When told his mother was asleep, he said, "That's all right, I'll wait." The nurse, Mrs. Keller, then called the Pitts who came immediately to the hospital for him.

When Mrs. Pitt asked Gary Don if he was ready to come home, he said, "Whenever you are." According to Mrs. Pitt, he had dressed himself completely, even to his heavy coat.

Because the Bendnorzs live about five miles southeast of Canyon, Mrs. Bendnorz was surprised that Gary Don had been able to find his way to the hospital. She was particularly concerned about his having crossed the highway alone. To her knowledge, he had been to the hospital only once, on a Thursday evening visit just before his early Friday morning jaunt.

Mr. and Mrs. Bendnorz have two other children, Alfred, Jr., age ten, and Deborah Lynn, age four.

No Separate Board for WT According to Henry Sears

Chances for West Texas State College to get a separate board of regents have gone aglimmering, at least for this session of the legislature.

This information came Tuesday from Henry Sears, Hereford banker and president of the board which presently administers affairs of six state schools, including WT.

Sears said no bill for a change in the present set up has been introduced into the legislature and none is likely during this session.

There have been persistent rumors in Canyon that a change was in the offing. There even had been rumor that WT and

several other state schools might be administered by the same board which governs the University of Texas. This was recommended by the Legislative Budget Bureau but no legislation has yet been introduced to effect the change.

Members of the board, other

than Sears, include Newton Gresham and H. L. Mills, Houston; C. S. Ramsey, San Augustine; Mrs. E. D. Lockett, Troup; Frank White, Cleveland; Miss Elizabeth Koch, San Antonio; Richard Stovall, Floydada; and Judge William Brown, Texarkana.

Absentee Voting Begins This Week in 3 Races

Absentee voting in the senatorial, city commissioner and school board elections began this week with a very light turnout.

Ballots for the senatorial and school board elections are in the county clerk's office in the courthouse. Absentee voting in the city commissioner race is being conducted at the city hall.

Seventy-one candidates are making a bid for the senate seat vacated by Lyndon Johnson. On the school board ballot are J. O. Parker, incumbent, Wesley Cox, Mrs. W. A. Moore, and Dr. Charles Nester. They are making a bid for two seats open to candidates. Conway Kuykendall did not seek re-election.

In the city race are John Williams, Marvin Bichsel, J. C. Newton, Delbert Lowes and J. Evetts Haley Jr. Bichsel, Newton and Williams are making a bid for place 4, a position now held by Williams and Haley is opposing Lowes for place 5 seat. Lowes is the incumbent.

Investigate Park Wreck

Highway patrolmen investigated a one car accident in Palo Duro State Park Sunday, March 12.

Wreck occurred at approximately 5:30 p.m. A car driven by Burl Richard McHam of Amarillo struck a bridge. McHam said he was trying to avoid striking another car coming from the other direction. McHam was leaving the canyon.

Highway patrolmen said McHam was in the car by himself. He apparently was not injured.

Absentee voting closes three days prior to the election. Balloting for the school board election will be April 1 and the senatorial and city vote will be April 4.

Postmaster Urges Patrons To Meet Requirements

Two important items in regard to city delivery of mail are being emphasized by the local post office, according to Marion Higdon, postmaster.

Many residential mail boxes do not meet requirements for complete mail delivery in that they do not have holders for

magazines, newspapers and other flat mail, Higdon said. "The letter box, in most cases, is too small to allow other than letter-size mail to be inserted in it," he pointed out. "Each patron should examine his mail box to be sure that the city carrier can deli-

ver the mail in the most efficient and satisfactory manner. If there is any doubt, ask the carrier what is needed to make the mail box an adequate receptacle," he added.

Another item Higdon pointed out is that it is becoming increasingly important that letters have the correct delivery address.

"With the rapid growth of a town, mail delivery goes through 'growing pains,'" he said. "City carriers' mail distribution cases carry only a street address for residence delivery and new carriers have no way of working the mail unless it carries a correct street address. For the same reason, it is necessary for residences to bear a correct house number."

"A patron should always include his mailing address in all correspondence whether it is a street number or a post office box number."

"Business houses which mail statements and other heavy mailers should make every effort to obtain and use correct mailing addresses. It is the mailer's responsibility to address mail in such a manner that it can be delivered with the least possible delay," Higdon concluded.

Long-time County Resident Interred Monday at Umbarger

Last rites for Mrs. E. J. Friemel, long-time resident of Umbarger, were conducted Monday, March 13, at St. Mary's Catholic Church at Umbarger. The Rt. Rev. W. F. Bosen officiated.

Mrs. Friemel, the former Emilie Kriskche, died in Neblett Hospital March 11 where she had been hospitalized since February 21.

She had lived at Umbarger 54 years.

Mrs. Friemel was born February 20, 1886, at High Hill in Fayette County. She married E. J. Friemel there February 5, 1907.

She was a member of the altar society at St. Mary's Church.

Rosary was said at the parish hall Sunday at 8 p.m.

Survivors include her husband, E. J. Friemel; four sons, Charles and Herbert of Umbarger, Theodore of Groom and Richard of Umbarger; three daughters, Mrs. L. J. Wieck of Umbarger, Mrs. Albert Birkenfeld of Pryor, Oklahoma and Mrs. Lee Haschke of Umbarger; two brothers, Joe and Frank Kriskche of Schulenberg; 38 grandchildren and 9 great grandchildren. Two sons and one daughter preceded her in death.

Burial was in St. Mary's Cemetery at Umbarger.

Pallbearers were Andrew Birkenfeld, Robert Wieck, Fred Wieck, Roman Friemel, Jerome Friemel and Kenneth Friemel. LaGrone Funeral Home was in charge of arrangements.

PREPARATIONS ARE BEING MADE for the panhellenic conference on the West Texas State College this weekend. Above, Judy Woodbridge, Dottie Edwards, Carolyn Gray, Ruthie Hutton, Barbara Knox, Glenna Loftis, Annette Sweatt and Karen Guerry are shown hanging curtains in one of the rooms for visitors.

Panhellenic Conference Set at WT for Weekend

The Panhellenic Conference for the southwestern area colleges of West Texas, New Mexico, and Arizona will be held this weekend at West Texas State College.

Registration will be held at Hudspeith Hall on Friday, March 17, at 1 p.m.

Sorority members of seventeen different Greek letter groups from Texas Technological College, Texas Western College, West Texas State College and from the New Mexico and Arizona colleges will attend the conference.

The West Texas sororities have been placed in charge of different functions of the conference. In charge of housing and transportation is Chi

Omega, Delta Zeta, finance Alpha Delta Pi, decorations and program, and Zeta Tau Alpha, entertainment.

Mrs. Landon A. Freear, area adviser for National Panhellenic Conference, will speak Friday evening at the Branding Iron theatre on "Panhellenic With a Purpose."

Mrs. Freear, Fort Worth, does special work with college panhellenic groups.

President James P. Cornette will present greeting to the conference at 10 a.m. Saturday in the student union building ballroom. The topic of that morning meeting will be "All Greeks Are Greeks". Miss Helen Glenn of Macon, Georgia, national Panhellenic Conference delegate from Alpha Delta Pi, will give the address.

A banquet will be held at 7 Saturday evening with dancing and recreation to follow in the ballroom. "Sorority Men and Women in the World Situation" is the topic of the banquet address to be given by David Matthiis, associate professor of government at West Texas State College.

The general topic of this conference is the value of cooperative effort between women's sororities and men's fraternities on any campus.

Beasley Services Today At 3

Funeral services for Clarence Edgar Beasley, 72, will be at LaGrone Funeral Home today (Thursday) at 3 p.m.

Beasley died Tuesday night in Neblett Hospital where he had been for three weeks.

He formerly worked for Canadian Valley Production Association and retired in 1954. He moved to Canyon the same year, from Denver, Colorado. Beasley was a licensed embalmer and funeral director, formerly operating a funeral home in Wheeler. He was a member of the Central Church of Christ.

Born in Fayetteville, Alabama, August 29, 1888, Beasley is survived by his wife, Vera Belle Beasley, one son, Dee Roy of Whittier, California; two daughters, Mrs. C. O. Armstrong of Montalvo, California, and Mrs. N. F. Reid of Amarillo; one brother, C. H. of Cortez, Colorado; seven grandchildren and twelve great grandchildren.

Burial will be in Dreamland Cemetery. LaGrone Funeral Home is in charge of arrangements.

Mrs. Crabtree Now at Home

Doris Crabtree, young Canyon mother who had major heart surgery in Dallas in February returned home to Canyon late Monday with her husband Lynn Crabtree.

Her doctor of Parkland Hospital, Dallas, was very pleased with her progress. He said the repair was much more successful than he had expected, and that Mrs. Crabtree can now lead a normal life.

Crabtree said that the Texas Education Agency, Vocational Rehabilitation Section, assisted them in the financial expense of the surgery.

Mrs. Robert Darnell has been caring for their eight-year-old son, David Lynn Crabtree, during Mrs. Crabtree's hospitalization.

Bob Hileman Breaks Hip

Bob Hileman, 87, was hospitalized Tuesday with a broken hip following a fall in his home early that morning.

Bud Rusk found Hileman lying in the floor when he forced the front door about noon. Hileman told Rusk he fell about 9 a.m.

LaGrone Ambulance Service took Hileman to Neblett Hospital.

County, City Join In Delinquent Tax Suits

Randall commissioners decided Monday to join the City of Canyon in delinquent tax suits presently being filed. Lair and Williams are handling the cases.

Bill Money, tax assessor-collector, brought up that suits should also be filed pertaining to some lots in the Palisade. Money said owners of some of the lots could not be located and these pieces of property should be disposed of at public sale.

Commissioners decided to wait on any action concerning the Palisades lots pending results of the city suits.

Bill York, city manager, and Charlie Foster, Canyon fire captain, came before commissioners to see about renewing the county-city fire contract. Contract expires March 31.

The county paid approximately 40 per cent of the fire department's \$9,000 budget last year and C. Y. Johnson pointed out that Happy and Amarillo only received \$25 per call.

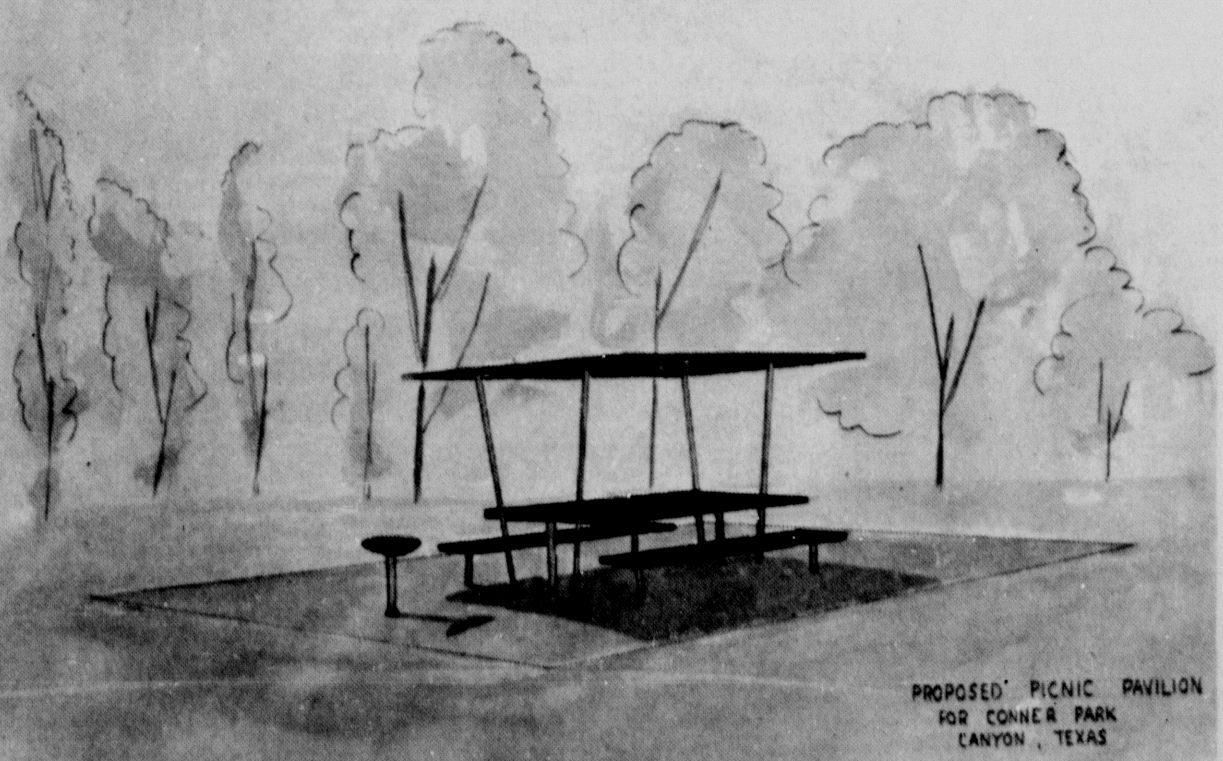

Johnson said the City of Canyon was receiving about \$163 per call.

"I can't understand how we can enter an agreement with two

departments for \$25 and then give you \$163," Johnson said. He then proposed that the county pay Canyon the same

price as other departments. York told commissioners he would take the proposal before city commissioners at a Friday

evening meeting. He said he would report back to the Monday meeting of the Randall commissioners.

WORK STARTS TODAY on the above picnic pavilion at Conner Park. It is being built by the civic and community betterment committee of the Lions Club. Bob Darnell is chairman of the committee. Proceeds from the annual Lions carnival will be used to build the pavilion. Workers estimate it will be completed by next week.

FROM THE

CANYON RIM

By Troy Martin

Margaret MacOwan is a bird fancier. Margaret cared for a flock of chickadees through the winter months this year.

She also is caring for a flock of Girl Scouts. She and a number of other adult leaders as well as the scouts themselves have been busy this week selling Girl Scout cookies.

When a girl in green knocks at your door take several boxes of cookies. You'll be helping a worthy cause and they're delicious.

We're still trying to get some of the folks who wrote us letters of censure last fall when we dubbed the Democratic platform a document bent on socialism to write to us again. We would like to see their analysis of statements made recently by top Kennedy aides, to wit: Arthur Schlesinger, Jr., and Abraham Ribicoff.

"A US welfare state is our best defense against Communism," said Mr. Schlesinger, former Harvard professor and now a top Presidential aide, in a recent TV debate. Schlesinger has never, to our knowledge been reprimanded (not publicly at least) by the White House. We have seen nothing to indicate that the President was displeased with the statement and we have every indication that Schlesinger's statements might well represent official policy.

Last fall, David Matthis challenged us to point to some specific instance in which the Democratic Party favored welfare statism.

Two weeks ago we asked Mr. Matthis to analyze for us the Schlesinger statement. Since

Mr. Matthis is an elected official of the Randall County Democratic Party and made a recent appearance before the county's governing board in his official capacity, we certainly are anxious to know his reaction to the Schlesinger statement.

We were challenged in about the same manner by Jackie Wilson and Frederick W. Rathjen. We printed all three letters but even at the time we felt that the matter was not closed. We still do not think it closed.

The columns of this newspaper is open for comment from these folks whom we must admit are far more learned than ourselves. We invite their comment without rancor or malice but in the interest of better understanding.

This is what Nikita Krushchev had to say about welfare statism recently as quoted in the March issue of "Merchants Trade Journal."

"We cannot expect Americans to jump from Capitalism to Communism, but we can assist their leaders in giving Americans small, increasing doses of Socialism until suddenly they awake and find they have Communism."

Does this not have an ominous ring in view of the fact that this same Nikita Krushchev said, "We will bury you."

Our country lies between the jaws of two great dangers--the extreme right of Facism and the extreme left of welfare statism which will lead to communism. Either of these will bring about the destruction of freedom in this big, beautiful land of ours.

Rabbi Explains Case to College IR Club

Shock was the reaction most people felt when they heard Dr. Arthur Blum speak on the "The Case Against Adolph Eichmann."

Dr. Blum, rabbi of Temple Bnai Israel of Amarillo, and himself a former victim of a Nazi concentration camp, spoke for the International Relations Club of West Texas State College on Tuesday evening, March 7, in the Fine Arts Building.

Dr. Blum's talk on the case of Adolph Eichmann, a member of the Nazi Germany High Command, included documented facts on the atrocities which Eichmann committed. Eichmann himself organized the concentration camps with their gas chambers in which six million Jews were murdered.

He was also responsible for the order to destroy Lidice in Czechoslovakia. Eichmann had become so engrossed in his task of extermination that he did not obey Himmler's order to stop the killings just before the Allied occupation of Germany, Dr. Blum reported.

Dr. Blum explained psychologically why Eichmann could organize and execute such atrocities and feel no guilt. He said that Eichmann was probably a psychopathic personality and that the Nazi High Command included many such personalities.

Dr. Blum outlined the indictment against Eichmann as well as the defense which Eichmann would use. The group was also told that the Israeli government was paying Eichmann's defense attorney \$20,000 to take his case.

The question was brought up as to whether Israel had the

right to try Eichmann, a German citizen. Dr. Blum pointed out that there is no precedent set up to cover this type of criminality except for the international law on piracy.

In the law on piracy, the criminal could be tried by those against whom the crime was committed. Israel had several thousand survivors of the concentration camps, and since Germany has brought no charges against Eichmann, the Jewish state of Israel then have this right.

"Was it legitimate to kidnap Eichmann from Argentina?" was another question brought up by Dr. Blum. He himself could not condone kidnapping, but, although there are many former Nazis in Argentina, none has ever been extradited.

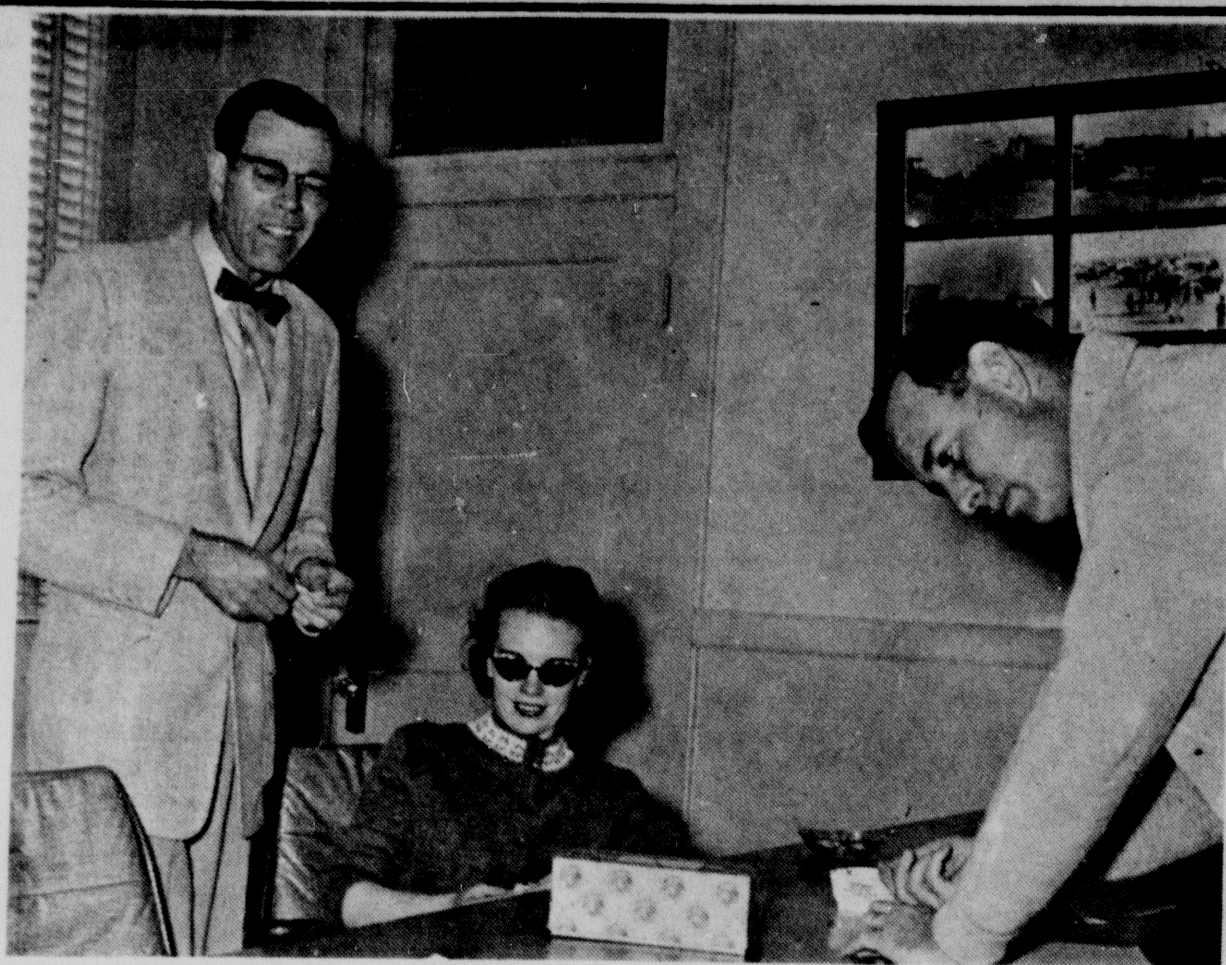

The talk was well received and many questions were asked. The International Relations Club was organized this past winter by Travis McBride of the government department of West Texas State College. Co-sponsor is Dr. Cleburne Farr of the Speech department and president of the club is Harold Smith.

Band Concert Here Tonight

Bands from the Canyon public schools will present a concert tonight (Thursday) at 7:30 p.m. in the high school auditorium, according to Herman Demus, band director.

Demus said admission is 50 cents for adults and 25 cents for students.

Playing will be the high school band, junior high band, and the sixth grade band.

CANDIDATES IN THE CITY ELECTION drew last week for places on the ballot. Above, Delbert Lowes and Mrs. J. Evetts Haley Jr. are shown just after drawing. Bill York, city manager, is at right.

PHSPA Convention Set At West Texas Tuesday

The 27th annual convention of Panhandle High School Press Association will be held at West Texas State College Tuesday.

Approximately 350 junior and senior high school students are expected.

Main speaker for the meeting will be Bob Hilburn, sports editor of the Plainview Herald, who will address delegates at the main session at 10 a.m.

The meetings are to be held in the ballroom and main lounge of the Student Union Building. President of PHSPA this year is Peggy Sue Hales of Canyon, and she will preside at the main and luncheon sessions. Other officers who will assist are Pat Thomson of Muleshoe, vice-president, Michelle Holcomb of Borger, secretary, and Carolyn Milhoan of Canyon, treasurer.

Registration opens at 8:30 a.m. in the Student Union Building, with campaigns for office slated to begin in the ballroom at 9:30 a.m. Dr. James P. Cornette will welcome delegates to the WT campus at 10 a.m.

Section meetings on the yearbook and newspaper will be conducted at 11 a.m. by J. F. Paschal of Amarillo High School and Miss Elizabeth Hurley of Pampa. A business session, at

which new officers are elected, will be held at noon. Luncheon in the cafeteria will be at 12:45 p.m., and awards will be presented to close the convention.

Judging of individual entries in such categories as news and feature writing, editorials, sports stories, sports columns, and general columns, has been done by the staff of the Corpus Christi Caller-Times.

Top award given each year goes to the "outstanding high school journalist" of the Panhandle, and is given in memory of the late Dorinda E. Bond, former PHSPA sponsor, by the Amarillo Globe-News Publishing Company.

Awards for individual and

school contests are also given by Plains Publishers of Friona, the Canyon News, Borger News-Herald, Plainview Herald, Moore County News of Dumas, the Hereford Brand, the Tulia Herald, the Ochiltree County Herald of Perryton, Taylor Publishing Company, and Newsfoto Publishing Company.

Trophies are given to top winners among printed newspapers, mimeograph newspapers, and community page newspapers, yearbooks in three classes, and to individual winners. A junior high division was started this year for competition among the area junior high school journalists.

Kutumba Rao Addresses Rotarians on India

Kutumba Rao, a foreign student at West Texas State College, spoke on India before the Canyon Rotary Club members and guests Tuesday.

Rao, who is from Waltair, India, is a government major in the graduate school at WT.

India, a nation of more than 420,000,000 people, ranks seventh in size among the nations of the earth, Rao said.

There are about 800 languages and dialects spoken throughout the country.

Only three per cent of the people are Christians, Rao said, with most of the people embracing the ancient religions of India.

Rao told the Rotarians that

the government of India is very much like the United States government. The electoral college system is used in election of the president.

Kutumba has a brother who is a member of the Parliament, drawing a salary of 4,800 rupees per year. The rupee, however, is valued at not more than 75 cents on the dollar.

Rao was working as a staff member in a large university before coming to WT as a student. His salary there was 3,000 rupees a year.

He said the caste system was undergoing some change. The people of India will not eat beef, but will eat mutton or pork, Rao said.

Pioneer Social Club to Meet

Pioneer Social Club will meet Thursday, March 23, at 2:30 p.m. in the home of Mrs. C. W. Dunn.

Mrs. W. T. Davis will have the program.

Students Applaud Reading

A near standing ovation was the reaction received by Dr. Jenny Lind Porter and John Stubblefield when they presented their program before the Canyon Junior High School recently. Dr. Porter read her poetry and was later accompanied by Stubblefield on the guitar when she read her long epic poem "The Siege of the Alamo."

Miss Porter said afterward that she was very pleased and surprised by the response she received from these young people. Dr. Porter is a well-known poet of Texas, has published her works in national magazines and now teaches at West Texas State College.

Her accompanist, Stubblefield, is musical director of Carver High School of Amarillo. He plays the only classical guitar west of Dallas and the students were very impressed with his arrangements and performance.

The program was sponsored by the Musical Arts Club of Canyon whose aim was to have the students hear a native poet. Mrs. Avert Lair is president of the club and Mrs. Donna Wilson arranged for the program.

Lou Myrle Mann, second lieutenant in the Nurses Corps of the Air Force, stationed at Tinker Field of Oklahoma City, visited her parents, Rev. and Mrs. Aaron D. Mann, this past week-end.

Mr. and Mrs. Wayne White of Amarillo and Dr. and Mrs. Joe Markham visited with Mr. and Mrs. L. E. Markham this past week-end.

*"The codfish lays ten thousand eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done—
And so we scorn the codfish
While the humble hen we prize.
It only goes to show you
That it pays to advertise!"*

—ANONYMOUS

"Given a good product, the American advertising industry does an efficient, imaginative and essential job of information and promotion and makes an important contribution."

DWIGHT DAVID EISENHOWER

"Advertising nourishes the consuming power of men. It creates wants for a better standard of living. It sets up before a man the goal of a better home, better clothing, better food for himself and his family. It spurs individual exertion and greater production. It brings together in fertile union those things which otherwise would never have met."

WINSTON CHURCHILL

"Advertising has induced progress in the use of manufacturers of new materials, new tools, and new processes of manufacture by calling their attention to economies which could be achieved and to the new uses to which they could be put. Without such advertising, information of this kind would take years to reach all of those who might benefit by it and progress would be delayed."

HARRY S. TRUMAN

"The pre-eminence of America in industry, which has constantly brought about a reduction in costs, has come very largely through mass production. Mass production is only possible where there is demand. Mass demand has been created almost entirely through the development of advertising."

CALVIN COOLIDGE

"If I were starting life over again, I am inclined to think that I would go into the advertising business in preference to almost any other. This is because advertising has come to cover the whole range of human needs and also because it combines real imagination with a deep study of human psychology. Because it brings to the greatest number of people actual knowledge concerning useful things, it is essentially a form of education . . . It has risen with ever-growing rapidity to the dignity of an art. It is constantly paving new paths . . . The general raising of the standards of modern civilization among all groups of people during the past half century would have been impossible without the spreading of the knowledge of higher standards by means of advertising."

GORDON WILLIAMS is shown with his home made guitar. Williams made the instrument after deciding he needed one made to his own specifications. He plays with a local band.

Home Made Guitar What Players Desire

Guitar players have become numerous during the past few years, but seldom is there one who designs and makes his own instrument.

Gordon Williams of Canyon can make this boast, though, and be proud of the end product. He plays with a local band and had always wanted to make a guitar to his own specifications.

His chance came in an industrial arts course at West Texas State College. Williams is a senior industrial arts major and thought the guitar would make a good project.

He went to work on the instrument, with the approval of Craig Johnson, professor, "It's hard to say how much time I put in on it," Williams says, "but I estimate that I spent six to eight hours a week for four months."

Made of black walnut, inlaid with white holly, the instrument has a very pleasing tone.

Williams says he is satisfied with the guitar. "It's exactly what I want."

And he says it was all possible because his professor went along with a crazy idea.

And what did the prof think of the finished guitar? He gave Williams an A.

COUNTY AGENT'S COLUMN JOHN BRAZZIL

The greenbug, sometimes called the spring grain aphid, is threatening the wheat crop in Randall County. The rapid build up of this insect within the last week poses the worst threat to small grains since 1950.

Both wingless and winged forms occur. All the wingless forms are females, and they give birth to living young. A young aphid matures in from six to twenty days and starts to reproduce. Each female produces from 50 to 60 progeny.

A survey was made in southeast Randall County on Saturday, March 11. All fields inspected had greenbugs. The count on a few fields ran as high as two thousand per foot or row. A count of one hundred or more per row can cause damage to the point where control measures are needed.

On one field a demonstration plot was sprayed by airplane on March 7 using one-half pound of parathion per acre. By Saturday a very good kill was observed.

In a telephone conversation with Dr. Norris Daniels at the Bushland Experiment station more information on area infestation was received. The counties around Randall are severely infested. The temperature is ideal for the reproduction of greenbugs and too low for the growth of predatory insects such as the lady beetle. Dr. Daniels, the station entomologist, says he has gotten from three to six weeks protection from one spray application.

Parathion has given satisfactory control if properly applied. The dosage of one-half

pound per acre should be used. This means usually one quart of the concentrate material in enough water to cover an acre. Parathion is highly toxic to man and livestock. If spraying is done by aerial application the wind should be calm and the spray plane should release the spray near the ground and fly in regular intervals no wider than the actual spray pattern. Cattle should be removed from sprayed wheat.

If ground sprays are used all precautions should be closely followed. The applicator should be equipped with protective masks and use protective clothing. The fumes should not be inhaled. Only persons experienced in handling and applying poisonous chemicals should work with these materials.

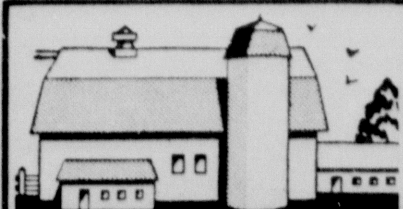

Adult Recreation leaders from about 7 southwestern states will hold their annual Recreation Leaders Training Laboratory at El Porvenir, near Las Vegas, New Mexico on May 8-13. The cost for this week of intensive training is 30 dollars per person. Excellent resource people from several states will be on hand to teach crafts, outdoor cooking, game leadership, music, ceremonies, etc. This training is intended for adults who work with youth, club, community and both urban and rural groups. For additional information contact, John Brazzil at the County Agent's Office in the Court-house.

The Randall County 4-H Club members have entered into a working agreement with the publisher of the Canyon News to sell subscriptions. For every new one sold the publisher will give the club one dollar to apply on the exhibition building fund. Renewals will add 50 cents to the fund. This an excellent way for club members to make a contribution to the building.

Girl Scouts Observing Week With Cookie Sale

BIRTHS

Girl Scout Week is being celebrated by the Canyon Girl Scout troops this week. Their major activity for the week is the selling of Girl Scout cookies.

Except for minor contributions, the major expenses for maintaining Girl Scouts in Canyon are met by money made from cookie sales. The troops are able to maintain their own scout house from these sales and from a few contributions. Canyon has a total scout membership of 141 girls divided between the Brownie Scouts and the Girl Scouts. Troop leaders are all volunteers and give their time to work with the girls. The Canyon troop is a lone troop and not part of any council.

Mrs. O. L. Knowles is the neighborhood chairman, Mrs. Alfred Daniel is the troop or-

ganizer and Mrs. Charles Nester is the troop consultant. Canyon has no paid leaders.

Leaders who voluntarily give their time are Mrs. Keith Jones, leader of Troop 7, third grade, assisted by Mrs. H. J. Price. The troop has had several mothers assist through the year.

Troop 1, fourth grade, has Mrs. Billy Hill and Mrs. Clifton Newberry as co-leaders. This troop had its first fire-building lesson last Thursday and roasted marshmallows.

Mrs. Walter Cranmer and Mrs. Joe Batson are co-leaders of Troop 2, fifth grade. Mrs. Keith Jones and Mrs. Lawrence Hunnicutt provide transportation. Mrs. Alfred Daniel is leader of Troop 6, sixth grade. She has been assisted by Mrs. Metz LaPollette.

Troop 10 is composed of both seventh and eighth grade girls. Mrs. Charles Nester is leader assisted by Mrs. Thomas MacOwan, and Mrs. O. L. Knowles.

A new second grade troop will be formed in April with Mrs. Arthur Fuston as leader, assisted by Mrs. Phil Harper, Mrs. John Rascoe, and Mrs. J. E. Flynn.

The Girl Scout organization is primarily a service organization which teaches the girls good citizenship and leadership.

They are trained in community service, homemaking, nature and out-of-doors, arts and crafts and singing.

Some of the community service projects performed by the Canyon girl scouts have been baby-sitting at the polling places while elections were being held, making of toys for the children of the labor camp of Hereford, and the making of tray favors for the hospital.

The program for the Kiwanis Club will be given Friday by five girl scouts, one representative from each troop. The girls also entertain sick children at the hospital by reading to them.

Day camp for the scouts will be held the week of July 10. All activities will be part of the practice of out-of-door skills.

Geology Prof To Attend Summer School

Robert A. Burton, instructor in geology at West Texas State College, has been named as one of 36 geology teachers in the United States accepted for a field institute to be conducted by the University of Indiana this summer.

The institute will be conducted at Cardwell, Montana June 19 through July 30.

Nineteen nationally-recognized experts, including authors of popular geology textbooks, will serve as instructors at the institute.

Burton came to WT from Lubbock where he received his MA and BA degrees. In his final year of graduate work at Texas Tech he served as a teacher.

At WT Burton has served as one of the sponsors of the Geological Society and was named "Favorite Teacher" by the student body earlier this year.

Bridal Shower Fetes Mary McKay

A miscellaneous bridal shower for Mary McKay was given Saturday from 2 until 4 p.m. in the home of Mr. and Mrs. Ray Metcalf.

The table was laid with a white linen outwork cloth. The colors of white and green, chosen colors of the bride, were used throughout the home. Mrs. Dwayne Howard, cousin of the bride, served coffee and tea from the silver service. Sue Cheatum registered about 45 guests during the evening, while from 50 to 60 sent gifts.

In the receiving line were Mrs. Metcalf, Mary McKay, and Mrs. Radford McKay, mother of the bride-to-be. All wore corsages of white carnations.

Hostesses for the shower were Mrs. Lewis Tucek, Mrs. Ed Bourn, Mrs. Paul Glover, Mrs. Lewis Harvey, Mrs. Monroe Maddux, and Mrs. J. T. Brown.

People, Places Featured This Month Nationally

Canyon people and places made news throughout the United States this month in the way of magazine articles.

The museum was featured in the last issue of "The Cattleman," according to C. Boone McClure museum director.

Dr. Hattie Anderson and her Peony tree were pictured on the back cover of NRTA Journal, a national publication for retired teachers.

Then last week L. S. Johnston and Ray Tinsley discovered their picture in a nationally-circulated detective magazine concerning their part in the capture of killers in Robert Potter of Tulsa.

Randall commissioners were featured in a construction

magazine along with much of the equipment to keep Randall roads.

Earlier this month News photographer John Pakan had a photo of Earl Burtz with trip-let calves used for the front cover of Southwestern Crop and Stock published at Lubbock.

Indian Film Slated For Community

"Pather Panchali" will be the Community Film Series presentation at the Olympic Theatre March 21-22.

The picture, filmed in India in 1958, is in a Hindi dialect with English subtitles. It is the first of a trilogy, with other films to be scheduled next year.

Starting time is 8 each night.

Brother of Local Woman Succumbs

H. O. Pettit, brother of Mrs. W. H. Lewis of Canyon, died Friday morning in a Lubbock hospital. Funeral services were held in Abernathy Saturday at 3 p.m.

Mrs. Lewis, his oldest sister, went to the funeral in Abernathy. She was accompanied by Mr. Pettit's nephew, Mr. A. H. Pettit, minister of the Assembly of God Church. Mrs. A. H. Pettit and Mrs. Mamie Pettit also attended.

Mrs. Karl Adams will be hostess to the March 28 meeting, which will feature a program on "Fashions and Fabrics" by Mrs. Mona K. Hildreth, county home demonstration agent.

PERSONALITY KING AND QUEEN were named recently at Canyon High School and this year the king's honors were divided between Joe Triplett and Mike Moore. Peggy Sue Hales was named queen. Students were chosen for this honor from the senior class. Later in the spring they will act as a court, along with students from area high schools, for the West Texas State College king and queen.

Driver Education Meet Slated at WT Saturday

A seminar in driver education, expected to attract school administrators, driver education teachers, and public safety officials from the Panhandle and South Plains areas, will be held here at West Texas State College Saturday.

The seminar is sponsored by the WT Health, Physical Education and Safety department, headed by W. A. "Gus" Miller. Registration, which starts at 9 a.m., will be held in the Field House, and sessions, starting at 9:30, will be in the Fine Arts Building auditorium.

"This seminar will bring together people teaching and working in the field, administrators, school instructors, and officials of the state licensing, police, and public safety departments," Miller said.

Highlighting the program will be discussion of problems of teaching driver education and of licensing and driver procedures.

Speakers will include Inspector C. G. Conner, Department of Public Safety in Austin, C. T. Howell, driver education teacher in Amarillo High School, Herschel Avinger of Lubbock public schools, Ray Wells, Canyon High School teacher, Capt. Sanford Lee and C. A. Dempsey, Department of Public Safety of Lubbock, and A. D. Shaver, teacher at Seagraves High School.

WT Student To Attend Convo

Linda Dell Pope of Amarillo, a West Texas State College student, will be among 64 students participating in a collegiate science research conference at North Texas State College and Texas Woman's University in Denton on March 16-17.

The two-day program, sponsored by the Texas Academy of Science under a grant from the National Science Foundation, will stress the nature, significance, and requirements and rewards of research in the natural sciences.

Sixteen Texas colleges will be represented.

Mrs. Mattie Bourn is visiting relatives in Waco. Mrs. Bourn's sister is ill and she is staying with her.

Brainwashing Described at Lion Meet

Answer to the threat of Communist brainwashing lies in the heart and spirit of Americanism.

So declared W. W. Densford, Amarillo, as he spoke before the Canyon Lions Club Wednesday. Densford, with the US Naval Reserve, gave a graphic account of Chinese Communist brainwashing technique.

Densford said the first greeting of the American POW after he was ushered into a Chinese prison camp was one of welcome.

Then the prisoners were lectured on some of the evils of the capitalistic system. They were forced to discuss the lectures on pain of not being allowed to eat until each member of small discussion groups had participated in discussing the lecture.

Next came self-criticism. This tended to break down the feeling of comradeship among the Americans. Then pressure was brought on individuals to inform on their buddies.

At last each individual was isolated, trusting no one. One Red soldier was able to guard as many as 100 Americans and yet not a single American escaped his captors.

Mr. and Mrs. H. B. Zachry are in Odessa attending the area Humble Service Station Managers Convention this week. While there, they will attend a banquet Thursday evening.

Americans died by the score from a new disease known as "give upitis." Isolated and forlorn, they simply gave up and died.

The speaker said in essence that the answer to brainwashing must be found in the rearing of our children.

They must be taught a sense of responsibility to their country and in event of capture by an enemy, a sense of responsibility to their comrades.

Our experience with the Chinese Communists must never be repeated, he declared.

Nephew of Local Man Dies in Denver

John Metcalf, 23, of Panhandle died March 12 in Denver, Colorado, after undergoing heart surgery.

He is the nephew of Ray Metcalf. He died following 12 hours of surgery.

Funeral was Wednesday, March 15, at 2:30 p.m. in the First Christian Church in Panhandle.

THE HANDS OF Stephen Cass, standing, provide the focal point of "Duet for Two Hands," an intimate theatre thriller opening tonight in the little Branding Iron Theatre at West Texas State College. Cass is played by Joe Tunnell of Midland, and his surgeon friend, Edward Sarcelt, is portrayed by Henry Werner of Galveston. The three-act drama will continue Friday and Saturday nights at 8:15.

"Duet for Two Hands" Opens

A thriller with an "Alfred Hitchcock ending" will open tonight in the little Branding Iron Theatre at West Texas State College, when Alpha Psi Omega, national dramatics fraternity, presents "Duet for Two Hands."

The three-act intimate theatre production will feature a cast of five—with only four persons appearing in the action. It will be directed by Gary Wyatt of Dimmitt, with Erin Wertheimer of Hereford as technical director. Both students are sophomores.

Admission for the production will be 75 cents for adults 50 cents for junior and senior high school students, and 25 cents for children. Curtain time will be 8:15 p.m. and the play will continue each night through Saturday.

"Duet for Two Hands" is an off-beat story of a young poet, Stephen Cass, who loses his hands in an accident, and of a skilled surgeon who replaces the hands with those of a dead man through grafting. The hands take possession of the poet and lead him into situations alien to his character. Suspense is built through the action until the usual climax is revealed.

Canyon Women At Coffee

A number of Canyon women were among those attending a coffee honoring Mrs. Jim Wright, a wife of a candidate for the U.S. Senate seat vacated by Lyndon Johnson.

Members of the 18th Congressional District Women's Division of the Jim Wright Campaign for U. S. Senator were hostesses for the coffee, held from 10 until 12 noon Wednesday, March 8, at Amarillo Country Club.

Mrs. Frank Kimbrough was a hostess.</

Book Fund in Honor Of Reeves Growing

The book fund at Canyon Elementary School in honor of E. R. "Rex" Reeves, former principal, is growing steadily.

Mrs. Charles Harter, librarian of the elementary school, said that Reeves had been very proud of their excellent library. She said he felt the library would give the children training in reading. He hoped they would develop habits of reading and research that would carry throughout their lives. The importance of starting to read widely at an early age and keeping a searching attitude toward knowledge and life was stressed by Reeves.

Books at the library cover a multitude of topics; from science, art, mythology, poetry, Shakespeare, opera and folklore to sports, history and studies of the peoples of the world.

Although the library has an excellent collection, and, according to Mrs. Harter, is one of the best elementary school libraries in the state, books continually wear out and need to be replaced.

Cubs Take Train Ride

Den 3 of the Cub Scouts took a train trip to Amarillo Friday afternoon accompanied by their den mother, Mrs. Charles McDowell.

Those scouts taken on the trip were Randall Burton, Stuart Downing, Steven Foster, Davin Gatten, Steve Seltz, Kelly Tinsley and Rickey McDowell. Also making the trip were Kerry and Kelly Renee McDowell. Mrs. Bob Gatten and daughter, Darlene, brought the group back to Canyon.

The scout group went through the train depot. Each boy was given a book on the history of trains and a junior pullman pin.

The cub scouts of Den 3 meet every Thursday afternoon in the home of Mrs. McDowell.

Miss Lindsey On Trinity Honor Roll

Miss Barbara Ann Lindsey, daughter of Lt. Col. and Mrs. E. L. Lindsey is one of 133 Trinity University students named to the honor roll for the fall semester at the San Antonio school.

At Trinity, Miss Lindsey is a sophomore history major. She is a member of the McFarlin Dormitory Fellowship, Sigma Theta Tau, women's social-service club; and the Board of Women's Social Clubs.

Commissioners To Amarillo Convention

Randall County commissioners and Wayland Angel, county judge, attended a meeting of the Panhandle County Judges and Commissioners Association in Amarillo Tuesday.

Meeting was held in the Herring Hotel. B. R. Jones, commissioner from precinct 1, was program chairman.

Burney Slack Undergoes Operation

Burney Slack who works in the Randall County tax assessor-collector's office will undergo an operation today (Thursday) following tests made Monday.

He is in St. Anthony's Hospital, Amarillo. Slack was hospitalized Sunday.

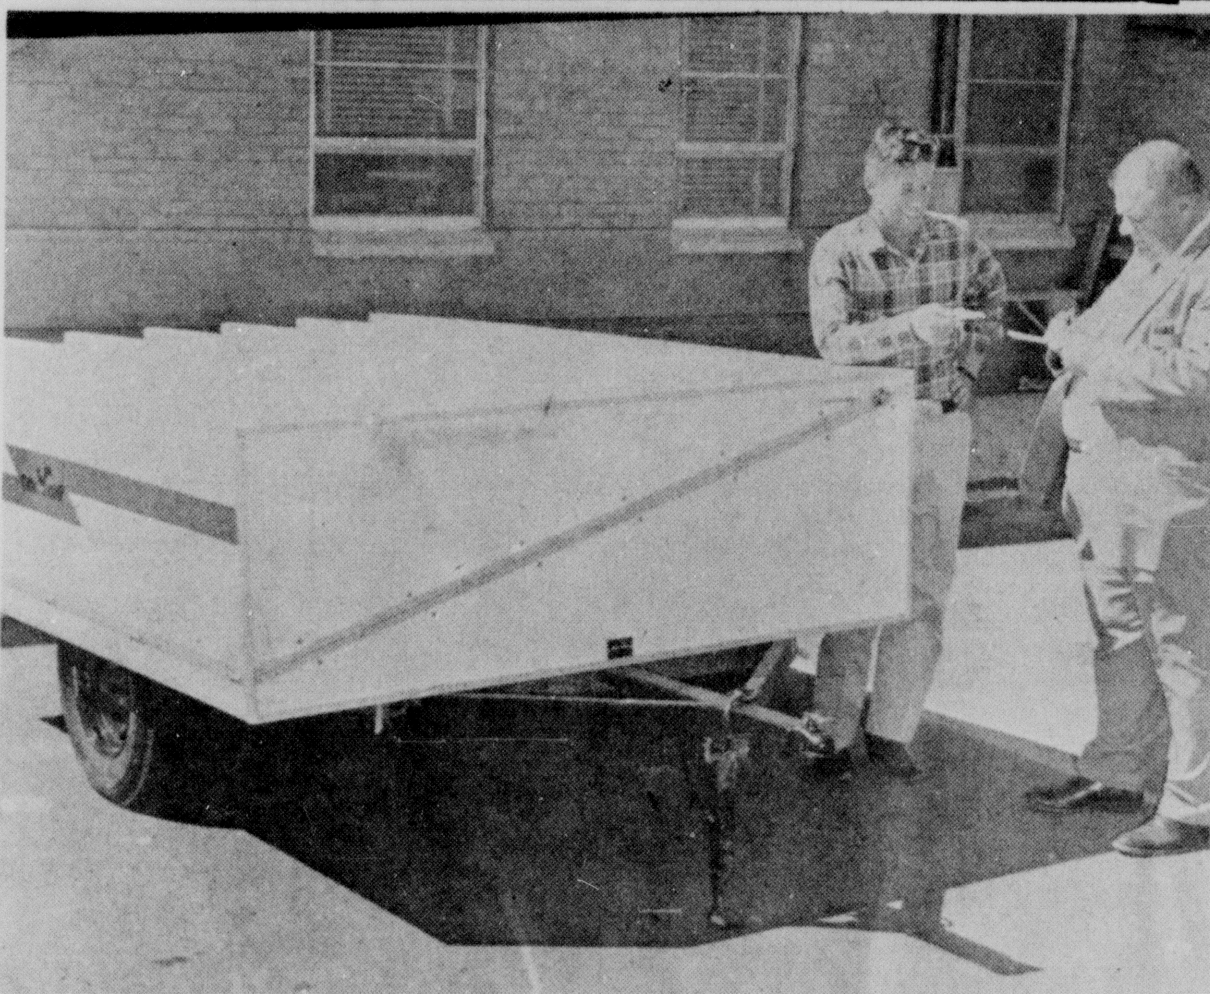

Mr. and Mrs. C. E. Liles and Don visited with friends, Mr. and Mrs. Henry Key, in Post, Texas this past week-end.

Mrs. Bill Stephenson and her three children of Coleman, Texas visited Mr. and Mrs. Bob Lindsey and family this past week-end.

Mr. and Mrs. Hampton Lisle attended the funeral of Mrs. Lisle's uncle, A. L. Meyer, in Cameron, Texas the week-end of March 5.

TOM BLACKBURN, piano student of Mary Helen Demus, will present a recital Sunday, March 19, at 2 p.m. in the high school choir room. The son of Mr. and Mrs. F. M. Blackburn, 2606 Twelfth Avenue, Tom is in the third grade of Canyon Elementary School and is a second year piano student. Recital pieces will include works by Bach, Mozart, and Gretchaninoff. All interested persons are invited to attend. (Photo by Britain's Studio).

TICKETS ARE ON SALE for the portable cabin made by Cooper's of Amarillo by members of the Randall County Junior Livestock Association. Proceeds go into a special fund which will be used for an exhibition building for next year's show. John Brazzil, County agent, and Bill Wilson, are shown in the picture.

Mrs. Cornette Adds Firemen Busy With 5 Calls

Mrs. James P. Cornette took an old idea, added a new twist, and came out with one of the top social events in Canyon each month.

When her husband became president of West Texas State College, Mrs. Cornette wanted to get the women teachers and wives of faculty members together so they might become acquainted.

However she did not want the formal type of clubs she had been associated with when Dr. Cornette was a teacher or dean. This type was too formal. Attendance was required, in practice, and roll calls were conducted at each meeting.

Mrs. Cornette began a series of informal coffees. She invited the ladies on the faculty, the wives of the faculty members, retired teachers, and wives of retired teachers.

"These coffees are most informal," Mrs. Cornette says. Guests are served upon their arrival, and then they gather in small groups to chat. No programs are held, nor is there an organization as a club.

Mrs. Cornette serves simple refreshments, ones that she can prepare well in advance. Her duties as hostess keep her busy during the coffee, a come-and-go affair.

She is assisted by various women in the group. She has no schedule of assistants but asks someone whom she thinks might be available.

Pup Will Make Happy Birthday

Gatten will be celebrating his eighth birthday next Sunday but it will be a pretty empty celebration if he does it without a puppy.

Davin suffers from an allergy. His mother, Mrs. Bob Gatten, quotes allergy doctors as saying that association with a Chihuahua would help the boy's condition.

Davin says he'll take any dog as long as he gets it by next Sunday.

Attendance at the coffees is pretty elastic. Mrs. Cornette says those invited come if it is convenient. If not—well, perhaps they can make it to the next one.

An average of 70 to 80 women attend the coffees.

The system of monthly coffees was begun several years ago. Originally the coffee day was Tuesday, but it was changed to Thursday to avoid conflict with church circles.

Calling hours are from 9:30 until noon.

"The faculty's large enough now that we need something like this to get acquainted," Mrs. Cornette said.

Teachers Hear TU Prexy At Amarillo Convention

"Today's Student-America's Future" was the general theme of the area annual District IX Convention, Texas State Teachers Association held in Amarillo last Friday. Teachers of the Canyon Public Schools and West Texas State College were among the 4,000 teachers attending the conference.

Principal speaker for the morning general conference held at the Municipal Auditorium were Dr. Harry H. Ransom, president and chancellor-elect of the University of Texas, and Dr. Imogene Bentley Dickey, dean of women of North Texas State College in Denton.

Cage Committee Meets at School

District basketball committee of District I-AA met Wednesday night in Canyon High School cafeteria.

Representatives from the five schools in the district planned next year's basketball schedule. Schools in the conference are Dimmitt, Friona, Dalhart, Tulia, and Canyon.

Firemen Busy With 5 Calls

City firemen have been busy this past week answering grass fire calls and one car fire.

First call came Friday when a car belonging to Dean Donnell at 1606 8th Avenue began burning.

Then Saturday Charlie Foster, fire captain, said the department answered three calls. First was a trailer fire at Lindsey Courts. Later in the day a grass fire broke out at 5th Avenue and Pecos Street. Firemen hastened to a grass fire at six-mile crossing the same day but were called back before arriving at the scene.

Tuesday firemen extinguished a grass blaze west of the armory.

Last fire was Wednesday morning. Foster said it was a trash fire west of town.

Byars Takes Part In March 2 Celebration

L. L. Byars of Canyon is the man who carried William Barrett Travis' last message from the Alamo to the signers of the Texas Declaration of Independence, at Washington-on-the-Brazos.

Not literally, of course, but at the re-enactment of the signing of the famous Texas document, held in Washington State Park, March 2, the 125th anniversary of the signing.

Byars portrayed John William Smith, a courier from the Alamo who arrived just as the last of the 59 signers signed the document.

The Canyon man was chosen for the part because, his great-grandfather, Noah T. Byars, owned the blacksmith shop where the Declaration of Independence was signed. Signers of the document were portrayed by their descendants, in the pantomime.

Byars said another building had been erected in the state park where the original blacksmith shop stood, but it is not an exact replica of his great-grandfather's shop.

The original shop was unfurnished when the signing took place. A cold norther had whistled in, and cloths were tacked across the windows to keep the cold out. The building had two roof levels, with the front section being higher than the back.

Material from Noah Byars' shop were used to make the famous "Ark of the Covenant," the last surviving relic of the Texas Independence Hall.

The box, which is 14 inches wide, 22 inches long, and 10 1/4 deep, is made from hand split oak taken from the blacksmith shop. It is veneered with walnut from the table on which the document was signed.

Mr. and Mrs. Lester Phillips of Estelline are now visiting Mr. and Mrs. Archie Mahan.

L. L. BYARS looks over the Texas Declaration of Independence. He took part in a re-enactment of the signing of the document on Texas Independence Day, along with other descendants of the signers.

The ark was brought to the celebration from Austin for display at the re-enactment. It is in the custody of the University of Texas.

Byars, along with the other two descendants of Noah Byars, presented an oil painting of the smith shop owner to the TIDO. Other descendants are Mrs. M. E. Dilday of Amarillo, a granddaughter, and Mrs. Sam Powers of Desdemona, a great-granddaughter.

Some 5,000 people attended the observance, sponsored by the Texas Independence Day Organization.

Supreme Court Justice Zolli Steakley was speaker.

Officials of the Texas Independence Day Organization told Byars they thought they had made a mistake when they confined the observance to Washington County, where the state park is located.

Byars said plans were underway to make the celebra-

tion state-wide next year.

All schools in Washington County and in Houston closed on March 2, Texas Independence Day.

TIDO is restoring the home of Anson Jones, last president of Texas. It is near completion, with the exception of the dining room.

Byars said his great-grandfather founded Howard Payne College, and a 15-foot monument was erected on the campus in 1936 in honor of Noah Byars. The marker was later moved to the Byars' grave at Brownwood.

Honor Society Inducts 24

Twenty-four Canyon High School students were inducted into the National Honor Society in an assembly program in the school auditorium Wednesday morning.

The youngsters were selected for membership on the basis of scholarship, leadership, service, and character.

Mrs. A. L. Walsh, NHS council chairman, administered the pledge to the new members. Bill Callarman, president, presented each new member with a gold key, and J. E. Miller, principal, gave each a NHS membership card.

Seniors inducted were Linda Burgess, Sue Fain, Lynda Redman, Jerry Blythe, Beverly Richard, and Deana Stocker. Juniors inducted were Virginia Crounse, Clark de Sch-

weintz, Barbara Erwin, Ann Guthrie, Pat Haley, Lois Harlan, Leon Henderson, Marion Henderson, Sue Huyck, Cheryl McClure, Henry Meyer, Carolyn Milhoan, Nancy Purcell, Judy Roberts, Ann Warwick, Vicki Weaver, Lee Ruth Wiggins, and Pamela Richard.

Members conducted a program, explaining the nature of the honor society, prior to the induction ceremony. Students and their roles were Mary Barger, spirit of the torch; Jacquita Barnard, leading the school prayer; Bill Callarman, leadership; Gary Carver, pledge of allegiance; Peggy Sue Hales, scholarship; Dorothy Higdon, service; Patricia Salmon, character; Phillip Waters, history of NHS; and Judy Kay Wilson, pianist.

A large gold emblem of the honor society formed a background for the ceremony.

Hales' Cow Sets Record

A registered Holstein cow belonging to Richmond Hales has set an outstanding production record, according to the Holstein-Friesian Association of America.

The cow, Chief Cinday, produced 15,261 pounds of milk and 552 pounds of butterfat in 365 days on twice daily milking as a 2-year-old.

Texas A&M College supervised the weighing and testing of production.

Rainbows Sponsor Fish Fry March 25

Order of the Rainbow for Girls will sponsor a fish fry from 5 until 8 p.m. March 25 in the Canyon Elementary School cafeteria.

Tickets are \$1 for adults and 50 cents for children under 12.

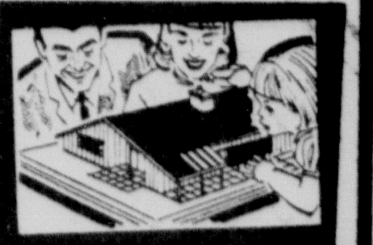

Proceeds to a fund to send girls to the Grand Assembly in Dallas. The fish fry is an annual affair.

SOCIETY NOTES

A group of Canyon people are interested in organizing a square dance club here.

Doug Camp, well known caller from Borger, has agreed to give lessons to beginners and call for the club if enough interested people can be found.

Camp gives a series of ten lessons, one a week, for \$10 a couple. He begins the lessons with basic calls and gradually brings in the newer calls. Dancers who have gotten out of practice can take the lessons as a review.

Anyone, regardless of age or marital status, is welcome to participate. Further information may be obtained by calling OL5-3593 or OL5-4485.

Seems as though fires can tell time.

For the past few weeks volunteer firemen have been called out just in the middle of their Sunday afternoon naps.

The Junior Woman's Book Club style show is slated for Tuesday. Those who have attended in past years have found it very enjoyable, with local women modeling the latest fashions.

Mrs. Schwaller Hosts Circle

Mrs. J. W. Schwaller was hostess to the Infant Jesus of Prague Circle in her home last Wednesday.

Mrs. O. M. Lindsey led the program on the New Testament, the series the circle is studying.

Next meeting will be with Mrs. Don Haddad April 5.

Showers Honor Miss Gayle Welch

Miss Gayle Welch, bride-elect of James J. Young, was honored with two pre-nuptial courtesies during the past week.

A personal shower was held in the home of Mrs. Oliver Grabbe Thursday evening.

Miss Rita Grabbe and Miss Welch met guests at the door, with Mrs. Alan Hanks registering the guests.

The table was laid with white lace table cloth over pink. Mrs. John Capps presided at the serving table.

A wedding centerpiece was accented with ribbon roses and umbrellas in the bride's chosen colors, pink and white.

Hostesses were Mrs. Alan Hanks, Mrs. Chuck Gorton, Mrs. John Capps, Miss Joy Gray, Miss Rita Grabbe, and Miss Bernice Green.

A miscellaneous shower was held in the home of Mrs. John A. Williams Saturday afternoon.

Guests were received by Mrs. Williams, Mrs. Ray Welch,

ITEMS OF INTEREST TO Women

mother of the bride-to-be, Miss Welch, and Mrs. J. A. Young, mother of the prospective bridegroom.

Miss Rita Grabbe registered guests.

The table was laid with a white lace and linen cloth, a gift to Mrs. Williams from Hong Knog, and was centered with an arrangement of white stock and pink daisies.

Silver appointments completed the setting in the candlelit serving room.

Presiding at the table were Mrs. Ted Kelly and Mrs. Clarence Echols, sister of the prospective bridegroom.

Miss Dorothy Higdon and Mrs. Don Duncan played the piano.

Hostesses are Mesdames J. R. Devin, Vernon Green, J. B. Roberts, Edwin Kuehn, Ted Kelly, Bill Money, J. E. Miller, Wayne McNeill, Wesley Cox, Nellie Sheets, and John Williams.

Mr. and Mrs. Ed Berend of Wendhorst attended the funeral of Mrs. Charles Berend of Hereford and stopped in Umbarger to visit friends. Mrs. Berend is the former Miss Kelley, teacher at Umbarger.

Charles Beckman and Walter Beckman, and son Walter, attended the funeral of their cousin Wallace Ruech of Mesa, Arizona. The funeral was held in Elgin, Illinois.

Henry Irlbeck of Hereford died March 10. He was a cousin of Ted Irlbeck of Umbarger, and an uncle of Bernard and Carl Hartman Jr.

Susa Mae and Eunis, daughters of Mrs. J. Sam Maders of Washington, visited in the home of Mr. and Mrs. Clem Friemel. Their father died in February.

Mr. and Mrs. Adolph Belaher of San Francisco, California, were visitors in the home of Paul Artho. Mrs. Belaher is a cousin of Mr. Artho.

Mrs. Florence Croft of Kansas City, Missouri, is visiting Mr. and Mrs. Charles V. Wilkinson.

Mrs. Kate Lock of Amarillo spent the weekend with her sister, Mrs. Clem Dugan.

Mrs. Hud Prichard and Mrs. J. M. Daugherty visited Mrs. Daugherty's sisters, Mrs. Ted Schuler of Seminole and Mrs. Armer Lee Marchbanks in Lovington, New Mexico, over the weekend.

Miss Pauline Brigham visited her nephew, Louie Minturn, and family in Houston.

Mrs. Austin Fillingim of Petersburg visited last week with her mother, Mrs. N. A. Croson.

Mrs. Frona Wreath of Woodward returned home Friday afternoon, after spending a week with her daughter and family, the Arvin Triplets.

Fashions Go On Parade Here Tuesday For Center Fund

Hildreth Discusses Fashions

Speaker for the Pleasantview Home Demonstration Club meeting was Mrs. Mona K. Hildreth, county home demonstration agent.

She discussed "Spring Fashions and New Fabrics."

The meeting was held in the home of Mrs. Christler Crain recently.

Several club members displayed crafts they were making. These included hats, wood-graining art craft, and making miniature fruit.

A salad course was served to 13 members and two guests, Mrs. Hildreth and Mrs. Edwin Dwyer.

Mrs. Elmer Cranmer will be hostess for the March 22 meeting at 2:30 p.m.

Fashion time in Canyon is Tuesday evening at 8.

This is the time set for the annual style show of the Junior Women's Book Club, featuring clothes from McDonald's and hair styles from Marie's Beauty Salon.

Decorations, to be arranged in the all-purpose room of the elementary school building, will follow an oriental garden theme.

Narrating for the show will be Mrs. Marie Cooper and Mrs. Eddie Conner. Entertainment is planned by Mrs. Ellsworth Barnard, and background music will be provided by Mrs. Glenn Dowlen.

Tickets, going for \$1, are being sold by club members, or may be purchased at the door. Refreshments will be served from 7:15 to 8:00.

Rehearsal for the show will be held at 2:00 Sunday afternoon.

Fashions will be presented in the following groups: Good Morning (lingerie), sports, cottons, Easter Parade, occasional and formal. Mrs. Lila McDonald states that about 50 frocks will be seen. She emphasizes, also, that men are especially invited to the presentation, as "a good opportunity to see what their favorite women will wear this spring."

Models will include Mesdames J. C. Bellah, Robert Bellah, Wm. Davis, R. B. Gist Jr., Weldon Hager, Duane Howard, Carroll Meek, Doris Moore, Jack Swartzell, J. M. White, Troy Martin, Harold Er-

Book Club Discusses Africa

French Community of African nations was discussed at the March 8 meeting of the Woman's Book Club in the Little House of Fellowship at the All-Saints Episcopal Church.

Mrs. Alfred Bellah and Mrs. Dale Harter led the program. Included in the French Community are the Congo Republic, Gabon, Ivory Coast, Mauritania, Niger, Chad, Central African Republic, and Voltaic Republic.

During the business session awards were presented to Bill Callarman and Mary Barger as a result of the Hallmark Art Contest, sponsored by the club. Callarman won first place in the contest at Canyon High School, and his painting will be entered in district competition in Pampa in late March. Mary won second.

Theme of the paintings was "Horizons Unlimited."

The club had two guests, Mrs. E. K. Snider and Mrs. Mary Bonnie.

Altar Society Plans Banquet April 16

Plans were made for the district banquet of the Knights of Columbus when St. Mary's Altar Society met March 7 in the church basement at Umbarger.

The altar society will serve the banquet, scheduled for Umbarger April 16.

Chairmen for it are Mesdames Herbert Friemel and Richard D. Friemel.

Delegates and alternates to the spring Diocesan Council of Catholic Women are Mesdames W. P. Janssen, Ray Batenhorst, Ben Koch, E. Reinhart, Ray Gerber, Bill Bauer, Math Albracht, and Vincent Meyers. All officers were re-elected to a second term.

Mrs. Joe Wiek, chairman of

the all-occasion cards, asked that anyone wishing special cards place their orders in advance.

Mrs. Math Albracht reported that closed retreats for women will be held April 28-30 and June 19-21. She requested that those wishing to attend make reservations with St. Anthony's in Amarillo.

Mrs. Ray Gerber gave a spiritual reading on the Good Thief.

Meeting closed with a picture show on "Doctors in Industry."

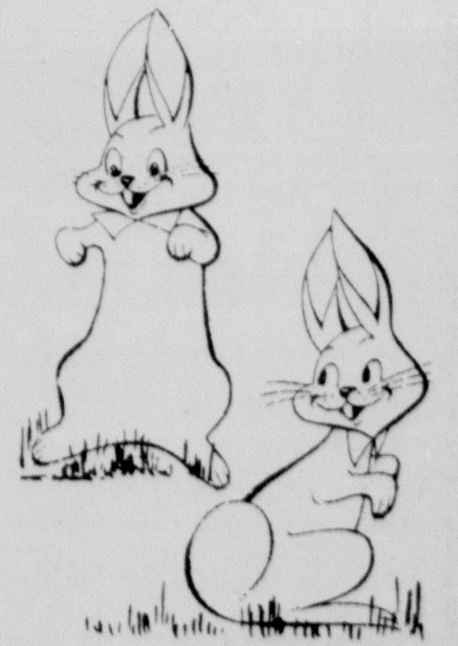

A visitor, Mrs. Wayne Keenon, and 29 members were present. Mrs. Norman Gillmore and Mrs. Bert Wilhelm were new members.

Murray Class Has Salad Supper

Mrs. Ples Harper was speaker for the Murray Bible Class salad supper in the Marshall Rockwell Jr. home Monday night.

Mrs. Harper talked on "Sacred Music."

Approximately 35 persons were present.

Guests were Mrs. Harper, Mrs. Naomi Hedgecock, Keith Rutherford, and Mrs. C. Newton Starnes.

The Murray Bible Class is a woman's Sunday school class of the First Methodist Church.

Hancock Circle of the Women's Missionary Union of the Calvary Baptist Church held a covered dish luncheon Tuesday in the home of Mrs. W. T. Robinson.

Program was on "Safeguarding Our Youth", a discussion of alcohol and narcotics. A business session was also held.

Gary Wyatt of Dimmitt is director and Erin Wertenberger of Hereford is technical director.

The drama is a story of a surgeon who performs a delicate operation grafting a dead man's hand to another man. The hand takes over the man's mind and makes him do strange things.

Five college students will be in the cast.

Curtain time is 8:15 p.m. Admission will be 75 cents for adults, 50 cents for junior and senior high school students, and 25 cents for children.

Methodist Class Honors 5 Women

Wesley Bible Class honored five members when it held its monthly luncheon Wednesday in the home of Mrs. E. M. Myers. Honorees were Mesdames J. A. Wiseman, Rosa Hungate, E. C. Penick, and Mary Jenkins. The fifth honoree, Miss Moss Richardson, was not present. All celebrated their birthdays during March.

Mrs. L. J. Witkowski baked a birthday cake for the honorees.

Others present were Miss Elizabeth Cox, Mesdames R. M. Barton, Blanche Haines, J. L. Funston, L. A. Pierce, H. R. Hungate, Art Roberts, and Lula B. Moreman, and Rev. and Mrs. C. Newton Starnes.

Jerry Lewis must be one of the cleanest movie stars in Hollywood as his 31-room home in Bel Air, California, has 17 baths.

Willie Naulls of the New York Knickerbockers is UCLA's top basketball scorer in history with 1,225 points. He made 661 as a senior.

PRESIDING AT THE SERVING TABLE is Miss Ruth Cross, dean of women. She is serving Mrs. T. V. Crounse and Mrs. M. B. Measamer. Mrs. Cornette gets others to serve and to assist her as hostess.

Palo Duro Club Holds 1890 Style Show

An 1890 style show highlighted the Palo Duro Mother-in-law Club meeting in the home of Mrs. J. C. McClendon March 10.

Mrs. and Mrs. Ed Harrell, Mrs. E. D. Harrell, and Mrs. N. A. Croson went to Wichita, Kansas, over the weekend to visit Mrs. Bob Howse and family.

Mrs. Howse is the former Shirley Harrell. Mrs. Roy Ransom of Claude, Mrs. Croson's daughter, also made the trip.

Mrs. J. P. Hammons modeled an 1890 dress, and Mrs. George Barker modeled a 1961 dress.

Officers were installed.

Mrs. McClendon gave the devotional after Mrs. Rae Walters, president, called the meeting to order.

Ten members and four visitors, Mesdames Phlebe Oldfather, Henry Allen, and P. L. Pitt, and Miss Joyce Barker, were present.

KEEPING UP WITH THE ARTS

Mary Caballero

March 17 is St. Patrick's Day and a day to wear a touch of green! We have a light heart and a happy feeling when we think of the lucky shamrock, gnomes and leprechauns. St. Patrick wrote many legends and his history is known around the world, but we still think of the day as "the wearing of the green."

Ireland preserved culture while Anglo-Saxon nobles lived in wooden hall-houses like Heorot, monasteries and schools began to spring up in England; but these were not always founded by missionaries from

Rome. On the island of Lindisfarne, in the Saxon state of Bernicia, was a famous monastery founded by Celts from Ireland. Many a fiery Celt indeed came from the Emerald Isle to preach Christianity to the yellow-haired barbarians now swarming over Britain: for in the sixth and seventh centuries, Ireland had become the sanctuary of the Church, one of the few spots in Europe left uninvaded by either Arian Christians or heathen Norsemen. Two hundred years before, St. Patrick crossing from Scotland, had converted the Irish to

Christianity, summoning his congregation to church by ringing an ancient cow-bell, which was still honored in Erin and preserved in a finely wrought shrine. With their native candor and faith, the Irish accepted Christianity.

Irish monks made pilgrimages to Rome. Thence, they brought back old manuscripts, and in the darkest of the dark ages, Ireland became a center of religion, culture, and learning. In the monastery of Iona, a rocky little islet dotting the bleak gray sea that rolled between Scotland and Ireland, and at other Irish monasteries, the monks began making beautiful books, written in Irish script and illuminated in glowing colors with fine-wrought miniatures and interlaced spiral designs. Both within and without the circular enclosures surrounding the monasteries, they set up their beautiful crosses, tall, slender shafts of stone, with a circle at the top enclosing the central cross, the whole covered with quaint Biblical carvings almost lost in those interlaced designs of the European Celts.

Irish churches were filled with beautiful golden vessels decorated with spirals and scrolls. Erin was conscious indeed of its own native Celtic culture, and in spite of enthusiastic devotion to Christianity, it did not wholly forget its ancient Irish gods. Many tales lingered on of old-time Irish heroes and primitive Irish life, while Irish gleemen still sang their powerful unpolished old songs wherein they showed the age-old heroes of Erin. (This information is from A Picturesque Tale of Progress.)

St. Patrick is supposed to have founded 300 churches in Ireland and in his day 120,000 were baptized. He was made Bishop of Erin.

A bell with four sides is on view in the museum in Dublin, Ireland. This is the bell that is thought to have been used by St. Patrick to call his congregation together.

We hope the "luck of the Irish" is for all of us.

The time to plan for Easter is here. I have noticed the collection of stuffed rabbits, the candy eggs and pastel chickens are in the stores. But the most unusual reminder came when I opened my box of eggs from the grocery store and found a note. Then when I unfolded the note, there was a picture of a Easter bunny with a clue where to buy

the dye for the Easter eggs!

Whittemore And Lowe, Pianists, Concert Draw Largest Attendance

By Korkye Martin

Two more celebrated musicians played their way into the hearts of Canyonites Sunday.

Arthur Whittemore and Jack Lowe, duo-pianists of TV, radio, recording and concert hall fame, displayed a verbal wit to match their finger-tip talents, before an audience of approximately 500 in the Canyon High School auditorium.

The artists, appearing on the third program of Canyon's Community Concert Association series, maintained the popularity polled by their famed predecessor here, Soprano, Dorothy Warensjold.

The audience, which Mr. Lowe called "wonderful," was comprised of concert regulars from Canyon, Plainview,

Umbarger, Tulia and Amarillo, in addition to two special groups. One was, perhaps, a large number of young Canyon keyboard students; the other, 45 foreign servicemen stationed at Amarillo Air Force Base.

These young men, visiting servicemen from the Far East and Middle East, were guests of Madame Ali Ghito and the Cosmopolitan Club in Amarillo, made effective through funds from the Canyon Rotary, Lions and Kiwanis clubs. The organization provides chartered bus transportation and admission to football games and concerts for these groups.

Both gentlemen, Mr. Whittemore and Mr. Lowe, were lavish in their praise of Canyon's high school auditorium.

"You are very lucky," Mr. Whittemore commented, "to have this wonderful concert hall. We have played in many, and have opened several, but none to match this. The sound, lighting, decorating, everything, is perfect. Someone did a good job of planning this hall."

The pianists admitted they prefer concert performances to all other types. This season they have three programs which they alternate in presenting through the community concert series.

They usually obtain new pianos yearly; however, one of the grands used Sunday was in its second season; the other was being used for only the fourth time.

"It isn't the moving about, but our playing that gives the wear and tear to the pianos," Mr. Whittemore explained. For each concert, the piano company assigns a mechanic from the area to stand by for maintenance.

Miss Matilda Gaume, assistant professor of music at WT and head of the piano department, presents the following comments concerning the duo-pianists:

"The Canyon Community Concert Association made a very happy choice in its presentation Sunday afternoon of the duo-pianists, Arthur Whittemore and Jack Lowe.

The two men, each armed with a grand piano and an engaging personality, delighted the appreciative audience with a program designed to appeal to all types of concert goers.

"They opened their program with a rarely heard set of Schubert Waltzes and followed it with the Mother Goose Suite by Ravel. During this number, and throughout the afternoon, Mr. Whittemore made illuminating comments on the music which added a great deal to the listeners' pleasure. This work was played with great delicacy and complete understanding of the innocent charms of fairyland. "The Brahms-Hayden Variations contained the most solid musical fare of the afternoon and was executed with admiration by the two men. "After intermission, Whittemore and Lowe presented what

they called Music of Today and which could be described as a variety group—something to appeal to everyone's tastes.

"The two-piano version of Debussy's Afternoon of a Faun was surprisingly satisfactory from a musical standpoint, considering the strongly idiomatic orchestral writing contained in the original version.

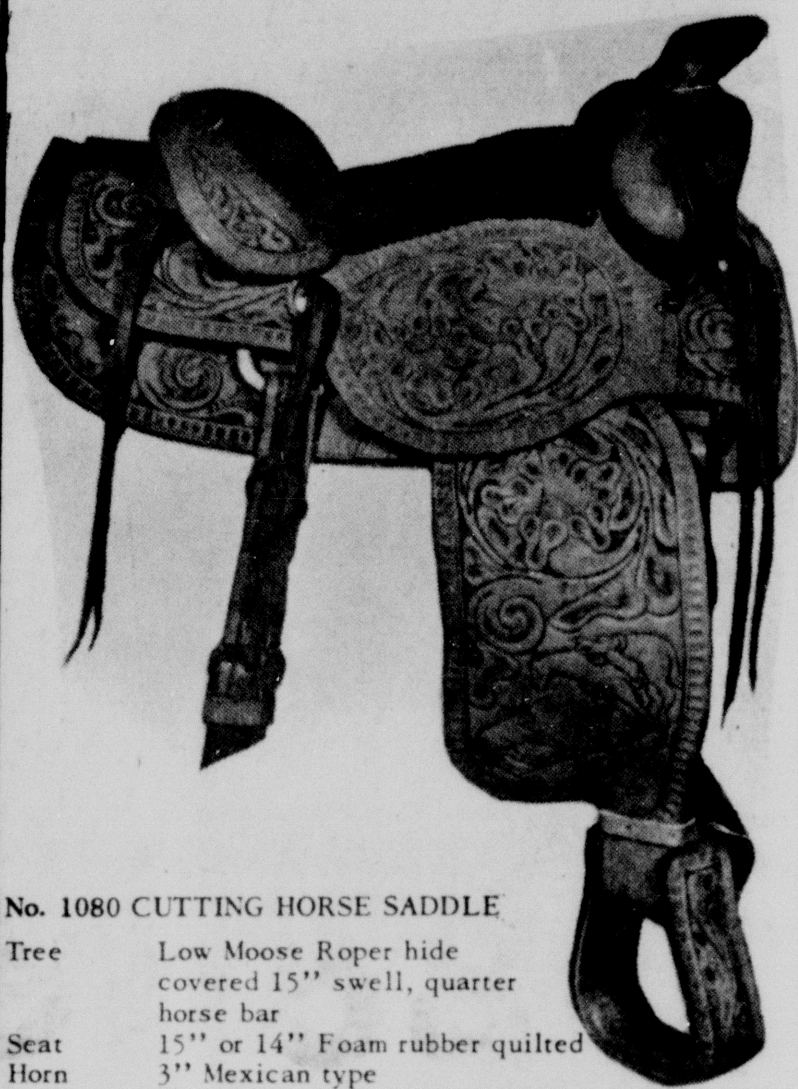

"Liszt's Mephisto Waltz closed the printed part of the program and gave the artists their big chance of the afternoon to prove they were both virtuoso performers.

"The final encore, a stunning

performance of Ravel's Bolero, excited the curiosity of the audience. Mr. Lowe, by pressing the string lightly with his left hand while his right hand played the key, produced a percussive sound effectively simulating the orchestra.

"Mr. Whittemore and Mr. Lowe proved once again Sunday afternoon that solid musicianship and technique, genuine artistry, flawless ensemble work, and good taste combined with their own personal flair for the stage, have brought them to the top in their chosen profession."

OUTLINING THE week's program for Religious Emphasis Week at West Texas State College, which started Monday, these four people decide on events for the annual observance. From left to right are Dr. Ruth Lowes, sponsor of the Inter-Faith Council, Dr. George Schweitzer, chemistry professor at the University of Tennessee who is presenting the annual Willson Lecture Series, Carlynn Williams of Hereford, president of the Inter-Faith Council, and WT President James P. Cornette. Dr. Schweitzer is speaking daily at WT at 9:30 a.m.

Baptist Choirs Given Superior Ratings

Ratings of the First Baptist Church entries in the District Ten Music Festival held recently in Amarillo were announced Monday.

The local church had four choirs, four soloists, and a ladies' trio entered.

Each choir, each soloist, and the trio received a "superior" rating, which is the highest pos-

sible, according to Bob Allford, director of music and education for the church.

The Church, Chapel, Junior, and Primary Choirs each had average grades of 91 or better from the judges.

Soloists participating were Mrs. Charles Brasher, Joy Gray, Marion Henson, and John Robert Wheelock. The ladies'

trio is composed of Mesdames Brasher, Luther Lawless, and Bob Allford.

Accompanists and directors of the choirs include Mrs. R. D. Wheelock, Mrs. Meade Humphries, Mrs. Bob Allford, and Bob Allford.

By receiving a "superior" rating, the 40 voice Junior Choir now qualifies to sing in the state junior choir festival, to be held in the First Baptist Church of Plainview on April 22.

Armstrong 4Hers Slate Farm Sale

Armstrong County 4Hers will hold their annual farm machinery sale April 15 at Claude and are presently taking consignments for the sale.

"This sale not only provides an opportunity for farmers and ranchers to dispose of surplus equipment, but also makes available many bargains to buyers," Bo Wheeler, Armstrong County agent, said.

This sale was among the first of its kind in this section of the country, and has attracted state-wide attention.

Glenn Miller Orchestra To Play at Military Ball

Featured attraction of the ROTC Military Ball will be the Glenn Miller Orchestra of national fame. The ball will be held at the Student Union Building of West Texas State College next Monday evening.

Seven beautiful girls who are sponsors of the ROTC companies and band will be presented with miniature sabers during the evening by Colonel Edward L. Lindsey, head of the military science department of West Texas State College. As sponsors, these young ladies, dressed in uniform and capes, have attended the regular military drills during the past year.

The military men will be in uniform and the non-ROTC men are encouraged to go formal but may wear suits and ties. Cocktail type dresses or long or short formal may be worn by the girls. Admission for non-ROTC personnel is \$3.00 per couple. Colonel Lindsey said that stags are not encouraged.

All commissioned and non-commissioned officers and their wives of the ROTC unit at the college will attend. Special guests of the ROTC will be President and Mrs. James Cornette, Dean and Mrs. Walter Juniper, Mr. and Mrs. Virgil Henson, Dr. and Mrs. J. B. Roberts, Dean and Mrs. Mitchell Jones and Dean of Women Ruth Cross. Several members of the community have also been invited.

From Amarillo Air Force Base, Major General and Mrs.

Charles H. Pottenger, commanding general of the base, and Colonel and Mrs. Daniel V. McDonald, commander of the Strategic Air Wing, have also been invited as guests.

Colonel Lindsey feels, as stated in last year's West Texas State College annual, the most students consider the ROTC Military Ball as the ball of the year. The ROTC sponsors the ball as part of an integrated plan to publicize the college.

The seven sponsors to be presented are Cadet Colonel Ann Schwoppe, Follett senior, and Cadet Captains Jane Woodward, Midland sophomore, Betty Knox, Crowell sophomore, Roxiann Adkins, Crowell sophomore, Nadyne Faulkenberry, Seagraves sophomore, Rozelle Marcy, Spur junior and Dorothy Pagan, McLean sophomore. They are sponsors for ROTC Companies A, B, C, D, E, and the ROTC band, respectively.

How their telephones save Mr. and Mrs. Neil Sauer 2½ hours a day

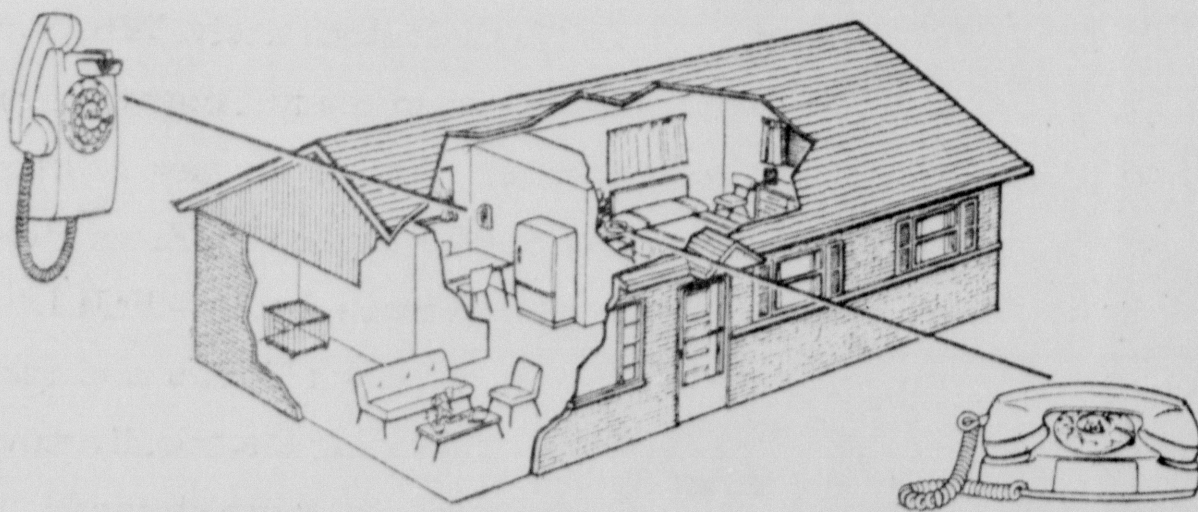

By DON DAVIS, Telephone News Writer

"I called a department store to order a place setting of china I saw advertised. I'm going to give it to a friend who is getting married."

"As a photographer, I have calls at home in the evening to arrange for props and models. So I use our Princess phone in the bedroom, where it's quiet."

The Sauers use their phones—a white Princess model in the bedroom and a green wall phone in the kitchen—about 50 times a week to help them get things done.

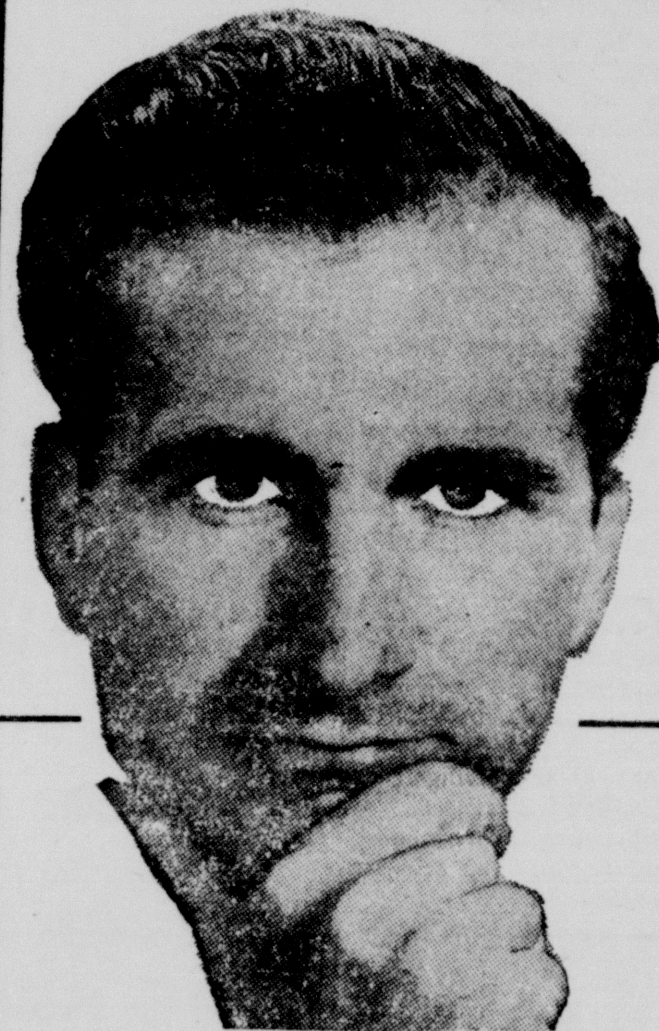

As she speaks of the Princess, Mrs. Sauer's eyes light up. "It's so small and lovely. And the way the dial lights up is great." The Sauers use their bedroom phone when they want quiet and privacy. This phone also gives Mrs. Sauer a sense of security when she's alone at night.

Why not take a tip from the Sauers? Enjoy the convenience, pleasure and security of extension telephones. Just call the telephone business office or ask a telephone serviceman. Cost is low.

BY MRS. J. W. WESLEY

Mrs. Bernice Wesley and son Robert of River Road, Amarillo, visited Sunday in Canyon with her sister-in-law, Mrs. Kate Folk.

Mr. and Mrs. J. W. Wesley visited Sunday evening with Mr. and Mrs. Charles Wilson and enjoyed several games of Mexican dominoes.

Mr. and Mrs. Bud Folk and children of Lubbock visited Sunday with his mother, Mrs. Kate Folk of Canyon.

Mr. and Mrs. Ervin Wilson of Happy visited Sunday afternoon with his aunt, Mrs. Harry Folk.

Frank Rogers was checking on acreage planted to grain sorghums, wheat, and barley on the J. W. Wesley farm Monday.

Mr. and Mrs. Ervin Wilson were in Tulia Monday morning.

Mrs. Vivian Myers and Theo Wise were in Happy Monday. Theo lives in Amarillo.

Arlen Wesley of Lubbock visited with his grandparents Monday night.

The Sands Bowl of Brownfield was burglarized again last Friday night.

About \$50 in change was taken, along with shoes, bowling bags, and balls, and about \$150 of food, cigars, candy, and cigarettes. Quite a bit of damage was done to soft drink machines.

J. W. Wesley is co-owner of the bowl, along with his son Elvin and his son-in-law, Nig Whitson.

This is the second break-in in six months.

Mr. and Mrs. G. E. Wesley

visited Sunday with Mrs. Annie Read and James.

Visiting over the weekend with Mr. and Mrs. J. W. Wesley were Mr. and Mrs. Bozo Brown and daughters, Fay, Margarette, and Shirley of Odessa, and Mr. and Mrs. E. E. Wesley of Brownfield and Mr. and Mrs. Hill A. Smith and boys, Hill Jr., Elmo, Billy, and Sammy.

Hill Smith's mother returned to her home in Oklahoma last Friday after several weeks' visit with her son and his family and her daughter Florence and her family.

Mr. and Mrs. Ervin Wilson visited Sunday with Mrs. Evelyn Shipman in Neblett Hospital and then went to visit with Mrs. Kate Folk.

The "42" party in the Richard Evans home Saturday evening was attended well, with three tables of progressive "42" was in progress throughout the evening. Next one will be in the home of Annie Read and James, Saturday evening, March 25.

Mrs. Scott Simpson visited Saturday with Aunt Serena Bryan and Mr. and Mrs. J. W. Wesley. Mrs. Simpson will be remembered as Virgia Liston.

Visitors in the John Patterson home Saturday night and Sunday were her sister and little daughter from Amarillo and her mother from Groom.

Mrs. John Patterson has been ill the past week with a virus.

Mr. and Mrs. Robert Smith and boys of Lubbock visited her parents, the E. W. Schaeffers, over the weekend.

Mrs. E. W. Schaeffer and daughter, Mrs. Smith, visited her daughter and sister, Mrs. Evelyn Shipman, in Neblett Hospital Sunday afternoon. Mrs. Shipman underwent surgery recently.

Mr. and Mrs. Charles Cranmer went to Oklahoma Sunday and visited with her brother and family.

Mr. and Mrs. Woodrow Wesley went to Abertown Saturday evening and visited with Mr. and Mrs. H. R. Wesley until Sunday evening.

Does your outboard motor get scuffed, scarred, or thrown out of adjustment when carried in your car trunk?

Next time out try laying it on an old inflated inner tube. The inflated rubber absorbs the knocks and scuffs, and preserves the finish.

ELSA PORTER, soprano, standing, will be presented in a concert Sunday at 3 p.m. in the Fine Arts Building Auditorium at West Texas State College. Instructor in voice at WT, Miss Porter will be accompanied by Mrs. Gayne Wheeler of Canyon. The concert is to be presented by Mu Phi Epsilon, national music sorority, and proceeds from the \$1 admission will go to the sorority's scholarship fund.

Elsa Porter To Give Benefit Concert Here

Miss Elsa Porter, instructor in voice at West Texas State College, will be presented in a benefit concert by Alpha Nu Chapter of Mu Phi Epsilon Sunday at 3 p.m. in the Fine Arts Theatre.

Mrs. Cayne Wheeler, part-time instructor in piano, will be the accompanist for the recital. Price of admission is \$1, and tickets may be purchased at the time of the concert.

Miss Porter joined the music faculty at WT in 1956. She has appeared in concert with the Amarillo Symphony, as soloist with the Sanctuary Choir of the Polk Street Methodist Church, and in oratorio performance in the Tri-state region.

While a graduate student at the University of Oklahoma, she was chosen to sing on the career performance series with the Chicago Theatre of the Air. Mu Phi Epsilon is a professional music sorority for

Rambling Around

Doyle G. Thomas
ASC Office Manager

The turning in of feed acreages by Randall County farmers has gone much smoother than even the most optimistic expected. Farmers have been extremely cooperative, and the Community Committeemen have done outstanding jobs.

After the first two hours on the first day, it appeared that we would not have enough personnel to take care of the farmers. However, the committeemen came through with flying colors, and things have gone smoothly since.

This column is being written on Friday after the Umbarger community meeting was completed. We in the office, who have been working on the program, can't figure out which of the communities were the most cooperative. Practically all farmers in the Canyon, Fairview, Jewell and Umbarger communities turned in their acreages at the community meetings.

Community Committeemen working on the program believe that generally accurate figures are being turned in. This is the only thing they were worried about, since it is hard to treat

everyone fairly unless accurate figures are available to base decisions on.

By the time this column appears in print, we will probably know if there will be a feed program and if so, the type it will be.

We have received word that barley and oats definitely will not be included in any 1961 program. This ruling was made because all oats and barley have been planted. Farmers that had grain sorghum or corn on their farms in either 1959 or 1960 and have not turned the acreage in should do so at the office.

Community Committeemen who assisted in interviewing the farmers where: Newton Crain, Leonard Boehning, and Herbert Kuhlman in the Canyon community; F. E. Lesly, Dean Foster, and Clinton Miller in the Fairview community; Si Elliott, Joe Byrd, and Tom Gooch in the Jewell community; M. J. Gerber, Marion Hicks and Carl Hartman in the Umbarger community. Tony Holenstein, regular committeemen at Umbarger, was sick with the flu, and Carl Hartman filled in for him.

Patrolmen Attend School

Two city patrolmen, George Hinch and Roy Hancock, are attending an FBI firearms and self defense school in Amarillo this week, according to L. D. Caldwell, chief of police.

They will return Friday. Caldwell said these two men will train the rest of the department when time allows.

Presto! Chevrolet changes old roads to new! Does it with a ride so smooth, handling so sure and going so sweet that it's almost magic.

Chevy owes its Jet-smooth ride to some mighty ingenious engineering . . . things like Full Coil suspension, precision balanced wheels, unique chassis cushioning and a superlatively insulated Body by Fisher. Nor does Chevy's ingenuity stop with ride. Take performance, for instance. You've a choice of 24 power teams ranging all the way up to the mighty 348-cubic-inch Turbo-Thrust V8's* with shift-free Turboglide transmission.*

More ingenuity: When you check Jet-smooth Chevy prices with your dealer you'll discover that nothing so easy riding was ever so easy to own.

A Canyon woman is being featured in a two-man art exhibit at Panhandle A&M College at Goodwell, Oklahoma, this month.

Mrs. Miller Hitchcock, 2516 Eighth Avenue, is displaying oil paintings at the show, being held at the art gallery of the historical museum. It opened March 1 and will run through this month.

Mrs. Hitchcock, who is doing graduate work at West Texas State College, has studied under Robert Hobbs, WT art instructor.

Paintings included in the show are both still life and landscape. There are many scenes from the Texas and Oklahoma Panhandles, as well as Kansas.

Mrs. Hitchcock has also studied under Rila Ingham, well known instructor in Oklahoma. This is her first exhibit.

Mrs. Hitchcock terms her painting "realistic."

She has served as promotional secretary for the District Woman's Society of Christian Service in Kansas and has contributed articles to farm journals and religious magazines. She has also lectured extensively.
